Appl. No. 10/643,358  
Amdt. dated 09<sup>th</sup> August 2005  
Reply to Office action of 11-Apr-05

**AMENDMENT and RESPONSE**

In response to the Patent Office examiner's Office Action mailed 11 April 2005, please consider the following remarks in the above-captioned case. *The undersigned encourages the examiner to call at a time convenient to the examiner*, especially where a conversation might aid in moving prosecution forward and/or result in an examiner's amendment. This response has been formatted in the revised format pursuant to published notification by the Patent Office as best as can be understood. See, MPEP §714 III.

**Amendments to the Specification** reflect the examiner's suggestion <none suggested>.

**Amendments to the Claims** are reflected in the full listing of claims (as required for the new amendment format) which begins on page 3 of this correspondence, made to simply clarify that which applicants' regard as their invention.

**No amendments to the Drawings** are deemed necessary, as no suggestion or objection has been made to so amend.

**Remarks/Arguments** begin on page 11 of this correspondence.
